

Experienced Shingle Roofer

We are currently hiring an enthusiastic, full-time Experienced Shingle Roofer for our Service Team in **West Kelowna** to assist us in installing some of the latest and greatest roofing technology out there! The role will also coordinate with clients, general contractors, property managers and oversee quality control and safety compliance on assigned projects.

Job Duties:

- Assess and repair residential roofs for deficiencies and damages.
- Make plans for residential projects, repairs, roof replacements.
- Run and maintain a service truck or van.
- Work with commercial roofing service technicians from time to time between residential projects and repairs.
- Perform preventative maintenance on shingle, cedar, and tile roofing systems.
- Install flashings, gutters, drainage systems as necessary.
- Work with apprentice/labourers regularly and direct them as necessary.
- Make detailed estimates for time and materials needed on repairs and residential roofing projects.

Job Qualifications:

- Certified Journeymen Roofers preferred (*while the perfect candidate would be certified, we are open to receiving resumes from those with experienced roofer backgrounds who may seek to be certified*)
- Minimum 5 years' experience in Shingle Roofing
- First Aid and Fall Protection (will be provided if you do not have them)
- Exceptional service skills with ability to deal tactfully and diplomatically with internal and external contacts
- Excellent organizational skills, with a demonstrated ability to handle a high volume of work with a calm demeanor during peak periods; ability to multitask
- Demonstrate strong attention to detail
- Exceptional listening, time-management, and communication skills
- Ability to work effectively both independently and as an essential part of a positive team with an aptitude for working in a collegial and collaborative environment
- Ability to walk, bend, kneel, and stand for extended periods
- Ability to work at height for long hours
- Ability to lift heavy equipment and work in confined spaces
- Valid driver's license an asset
- Personal hand tools an asset

Why Work for LAING?

Founded in 1987, LAING provides full building envelope services, including roofing, sheet metal, waterproofing, and wall system installations for commercial, industrial, and large-scale residential projects. We have worked on some of the largest projects in the area including Sparkling Hill, Okanagan Centre for Innovation, and the H2O Adventure Centre.

As a long-standing and reputable local business, we know how important it is to feel valued and be rewarded for your hard work. At LAING, creating long-term relationships with our employees is important to us. We pride ourselves on having a desirable benefits package and a positive workplace culture including competitive pay, extended health and dental, RRSP match, paid time off, and the opportunity for training and career advancement in our industry.

Here are just some of the reasons why we may be a good fit for you:

- Full-time, year-round work
- Competitive wage (range from \$36-40/hour depending on experience)
- Desirable work schedule (Monday-Friday)
- Vacation and paid time off
- Extended health and dental, life insurance, and vision care
- RRSP program
- Employee assistance program
- Continued development opportunities with paid training to grow your knowledge within the industry
- Relocation assistance
- Tool purchasing program
- Opportunity to work with a team-oriented, knowledgeable crew
